# ADVENTURE

The Fort Worth Zoo is repeatedly recognized as one of the top zoos in the nation – home to creatures from around the world in lush, natural habitat settings.

Tree-shaded, winding paths lead visitors to incredible exhibits like the World of Primates, Asian Falls, African Savanna and Texas Wild!

# EXPRESS

For your convenience, the Safari Express leaves at 15 and 45 after the hour from two downtown Fort Worth locations: the Intermodal Transportation Center (ITC) at 1001 Jones St, Bus Bay A, or the Omni Fort Worth Hotel at 1300 Houston St. Returning to downtown is simple: board where you got off. Return trips from the zoo operate every 30 minutes (see schedule below).
